

Help Us Create **Safe and Connected Biking** In The Langleys

Wednesday, Oct 28th, 7-9 PM
At the Douglas Recreation Centre,
20550 Douglas Crescent in "The City"

Draft Agenda For The Meeting

1. Will we be a local advocacy group connected with the Vancouver Area Advocacy Coalition (vaac.bc.ca)? If we go this route, what will it mean, what will we need to do next?
2. Prioritization of Our (Langley) Key Biking Issues. We brainstormed a list at our first meeting, now let's do something with the issues.
3. Action Planning - who will do what to get us going?
4. Please bring any additional agenda items to the meeting!
